Term 3 • Number 1 • 6 August 2013

From the Principal's Desk

A GREAT INITIATIVE

Earlier this year, a number of our senior boys expressed an interest in forming a group to pursue their own personal Bible study and learn how to prepare and give a presentation or talk. Under the guidance of Bro Evan Franco and other mentors inside and outside the College, these students have been steadily working on their chosen studies. This term, we have scheduled them to each make a presentation at the Secondary assemblies.

Last week, Josh Kempster spoke about the amazing physical properties of light, and how light is used to describe God and his character. Angus Weller focussed on Daniel's prayer and in particular his use of the phrase "kingdom, power and glory". Seth Hall chose God's name, Yahweh, as his topic and outlined its importance and meaning.

This week, Micah Steele drew our attention to the incredible nature of the stars and how they are used as a symbol of the saints in glory. Matt Williams and Jordan Singh jointly explained each facet of the class theme chosen by the Year 12s – "Love the Word. Live for God. Learn together."

All these young men have done a great job and have challenged, encouraged and "built up" their peers as well as their teachers. We are looking forward to more of these Bible focussed presentations in the weeks ahead. Thanks, boys! In the next couple of newsletters, we will print summaries of their talks.

SCIENCE & ENGINEERING CHALLENGE

Each year, the University of Newcastle coordinates Science & Engineering Challenges for Year 9-10 students around Australia. Schools elect to form a team and compete against other schools in a series of very challenging activities involving construction, problem-solving and team work. Our Year 10s recently competed against 8 schools in the Regional Challenge and won it! Not only that, they have now been selected to compete in the State final known as the Super Challenge on 27 August. Congratulations to all our Year 10s for a great achievement – and we wish them all the best in the State finals!

GENERAL NEWS

NEW STUDENTS

We are delighted to welcome a number of new students and their families to our school and the Heritage community. The **Cadieux** family has recently joined us from Canada – **Jonathan** is in Year 11, **Luke** in Year 10, **Stephen** in Year 7 and **Lauren** in Year 5. We are also pleased to welcome new students **Monique Wilton** in Year 5 and **Josh Hummel** in Year 4 and **Chelsea Roberts** who is returning to join us in Year 9.

TODDLER TOUR AND MORNING TEA

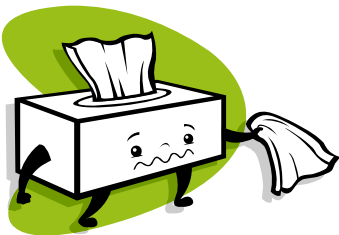

All parents with pre-school age children are invited to attend a special morning tea at Heritage College this **Thursday 8 August** (God willing). Before a tour of the Junior Primary classrooms, some of our Primary students will present items which will appeal to preschoolers and their parents! It commences at 10:00 am in the Assembly Room and is followed by morning tea.

STUDENT-FREE DAYS

This year for the first time, the five Heritage Colleges across Australia will be joining together here in Adelaide for a combined Teachers' Conference on 23-26 August, God willing. As a result of this, there will be no school on Friday 23rd or Monday 26th August.

A-TISHOO!

We would appreciate parents providing one box of tissues per student per term to provide supplies for our classes.

PREMIER'S READING Challenge

A reminder to all students to hand in your Premier's Reading Challenge Forms! Less than half of the forms have been received so far. Completion date is **Friday, 6th September**—only 5 weeks away! If you don't have a form (or have lost it) please see Aunty Judy in the Library.

WORKING BEE—TERM 3

The Heritage College Term 3 Working Bee will be on **Saturday 14th September** at 9:00am. If you are rostered on for the Term 3 working bee your name will appear below. Please reserve the date in your diary now; your attendance at the working bee is much appreciated. We have many jobs around the grounds and in the school buildings which can only be done during working bees.

Please contact us if you have any special skills valuable at working bees, ie qualified electrician, plumber etc. If you wish to be transferred to the Term 4 working bee, or if you prefer to donate the \$50 already paid in Term 1 school fees, please phone sis Anna Kerr on 8266 5122 or email akerr@heritage.sa.edu.au.

MULTICULTURAL Day

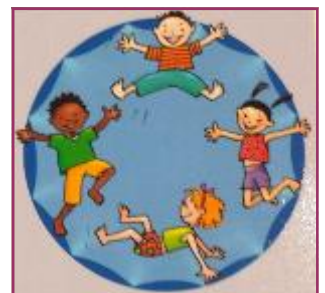

Friday 16 August 2013 God willing

Our inaugural Multicultural Day is next Friday! We would love to see every Primary student dressed in a costume that represents a country in some form – eg colours of a flag, an animal, traditional dress or an icon. Parents are welcome to dress up too!

A big thank you to those parents who have offered to provide food for the food tasting. We are still looking for some more food tasting options and also for volunteers to help with serving on the day—please email sis Judy Bailye: jbailye@heritage.sa.edu.au. A note will be sent home soon to confirm your contribution.

The program for this exciting event is planned as follows:

- **9:30 am** Parade of all Primary classes in the gym
- **10:30 am** Food tasting from a variety of continents
- **11:30 am - 12:15 pm** African Drumming Performance in the gym
- **1:00 pm** Aussie Sausage Sizzle available for purchase (more details in P&F section page 10)

Secondary students will be able to participate in the food tasting at their normal recess time. We look forward to seeing you all there for this exciting event!

GENERAL NEWS

BUSES

We remind all parents that the Hills (Uncle Paul) and Southern (Uncle Frank) buses are full and generally will not be able to take extra passengers. If there is a particular need to travel on one of those buses, please contact the College to see if it is possible.

Thank you to all those who have made enquiries this term and have understood the need to ensure the safety of our children by not overcrowding the buses.

COLLEGE PHOTO DAY

Heritage College's photo day is scheduled for **Monday 16th September**. Please note that photo day is being held on a **Monday** this year and put a special reminder in your diaries now. Full winter uniform is required to be worn (this includes the school woollen jumper) for all students from Years 1-12.

The Reception class is to

be dressed in correct sports uniform. Mark Duncan, from Duncan Images, will be photographing the College this year. If you are interested in viewing Mark's website, it is: www.duncanimages.com.au. Order envelopes will be sent home once we receive them.

The following are a few comments from **Isaac Robson**, **Noah Martin** and **Deborah Beale**:
YEAR 6 POETRY

Fish, Fish, Fish

Big fish
Furry fish
Small, stripy, scary fish
Long thin, slimy fish

Those are just a few

Blue fish
Brown fish
Big fat yellow fish
Ice-cold frozen fish
Jumping fish too

Hot fish
Pretty fish
Don't forget yummy fish

Last of all
Best of all
I like flying fish

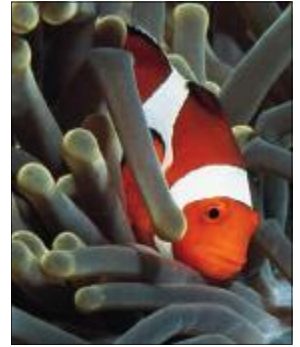

Shoes, Shoes, Shoes

Red shoes
Yellow shoes
Long flat blue shoes
Short wide lace-up shoes
Those are just a few

Old shoes
New shoes
Big old party shoes
Soft warm morning shoes
Dotty shoes too

Flat shoes
Rainbow shoes
Don't forget heeled shoes

Last of all
Best of all
I like horseshoes!

When I was one...(AA Milne style poem)

When I was one
I ate a tonne
When I was two
I was sure what to do
When I was three
I sat in a tree
When I was four
I smashed up the floor
When I was five
I learnt to dive
When I was six
I hit things with sticks
When I was seven
My best friend was Kevin
When I was eight
I always ate
When I was nine
I sat down to dine
Now that I am ten
I think I'll stay ten for ever and ever

THE NED SHOW

Heritage College Primary students had two special visitors from the USA on Tuesday 6th August. The presenter, Gary, and 'NED' travel around the world to talk to students about how to do their best at school. Using yo-yo tricks, a little bit of illusion and lots of humour, Gary and NED taught us about three important lessons:

- N** ever give up
- E** ncourage others
- D** o your best

Some of the yo-yo tricks Gary performed were amazing and included a roller coaster, the Eiffel Tower and a trapeze artist – they had to be seen to be believed! Several students were able to talk with Gary one-on-one and Danny Kim's commitment to always trying his best won him a yo-yo and special holder – and he got to wear a balloon champion's hat!

NED's message can be summed up in a poem:

Never give up!
You know it's right
Keep on going and
You'll shine bright.

Encourage others!
That's the way
You make people feel great
By the words you say.

Do your best!
Give it all you've got
Never hold back
Because you've got a lot.

SECONDARY NEWS

YEAR 8 BIBLE STUDY

Year 8 students have produced a range of interesting and informative posters during their Bible study sessions recently. Many used a 3D effect to create a greater impact and diversity to the usual presentation of material which has made them extra interesting and even fun to look at—well done!

YEAR 8 GEOGRAPHY

Students in Geography 8 have been studying landforms and landmasses. Instead of simply making flashcards and memorising the characteristics of each, they were asked to classify them into one of nine categories. There were many cases in which the landform or landmass could fit into more than one category and so students charted such cases and recorded their reasoning as to why they'd put the landform in one category instead of another. As you can imagine, this sparked enormous conversation and debate!

Next, students were challenged to create any additional categories that would help their sorting. This caused them to re-evaluate their original ideas and to further understand the differences and nuances of each item. When they were finally assessed on their understanding of the fundamentals of all 51 landscapes / landforms, every student in the class demonstrated mastery at the A level! Great work Year 8 students.

Bro Jason Bobis

YEAR 10 SCIENCE & ENGINEERING CHALLENGE

We won! What an exciting day for us all. The students had a fantastic day, mixed with both frustrating and exhilarating experiences. The fact that we won was great, but the best part of the day was the way our students behaved—cheering for everyone, cleaning up willingly and certainly the best behaved at the venue.

SECONDARY NEWS

Scores were up and down all day. Only later in the afternoon did we get to fourth then second, finally first, back to second and only with the very final score back to first. A fantastic learning experience for all participants rewarded with a winning entry!

SECONDARY STUDENTS—AFTER SCHOOL TUTORING

Heritage College is continuing the tutoring program commenced in Term 2 that offers after school assistance for students with needs in specific areas in Secondary. On Thursdays from 3:30-4:30pm a number of teachers have

volunteered their time to provide tutoring one-on-one, or to a small group where specific needs have been identified. Please contact Bro Tim Badger for further information or to request to be part of this program via email: tbadger@heritage.sa.edu.au.

STUDY & CAREER EVENT

An important information evening will be held in a few weeks (on **Thursday 29th August** at 7:30pm) to provide parents of current Year 10-12

students with information about the SACE and post-school study and career options. We have arranged for representatives from the 3 local universities as well as from an Apprenticeships agency to be present on the night to speak with students and parents about choices after school.

There will be two sections to the evening, with two different sessions running in each. Parents and students can choose which they would like to attend. If your son / daughter is continuing to Year 11 or Year 12 next year, or considering further study through TAFE or University, it is most important that you attend this evening. There will be ample opportunity for discussion and questions during the sessions.

SACE COURSE COUNSELLING

On the same evening as the Study and Career Event (Thursday, August 29th at 7:30pm), we will be holding a parent session on subject selection for the SACE.

Parents, particularly of Year 10 students, are encouraged to attend this event. There will also be opportunity after this session to speak with representatives from the local tertiary institutions at the Career Event.

UNIVERSITY OPEN DAYS

All of South Australia's universities will conduct an Open Day on Sunday 18th August. Senior students will be given information brochures and further details can be obtained from the university websites as follows:

- Adelaide Uni: www.adelaide.edu.au/openday
- Flinders Uni: www.flinders.edu.au/openday
- UniSA: www.unisa.edu.au/openday
- TAFESA: www.tafesa.edu.au/openday

P&F NEWS

FATHER'S DAY STALL

Father's Day is fast approaching and once again we will be holding a Father's Day stall to help make dad's day special! We would really appreciate it if all families with students in

Primary could please bring in a gift for the stall to the Front Desk by **Thursday 22 August**.

We are happy to wrap these up and sell them to the students for between \$2 and \$10 when we hold the stall on **Friday 30 August**.

The students love to go 'shopping' all by themselves for a specially chosen gift and it's lovely to see their joy in giving back to the dads they love so much!

MULTICULTURAL DAY LUNCH

For our Multicultural Day on **Friday 16 August** a true-blue Aussie BBQ lunch will be provided by the P&F Committee. The following items will be for sale to all students:

- Sausage Sandwich \$1.50
- Cans \$1.50
- Fruit Boxes \$1.00

Leave the lunch to us and bring along a few dollars to support this fundraiser!

HERITAGE SPORT

HERITAGE BASKETBALL TEAMS WIN GRAND FINALS!

Congratulations to **Heritage Slam Dunkers** (under 14 A Grade) and **Heritage Breakers** (under 16 B Grade) for winning their Grand Final games! Both games were hotly contested, but our teams pulled off great victories to the excitement of the large crowd of Heritage supporters that had gathered to cheer them on. Many thanks to all the coaches, parents, grandparents and friends who support our players each week. **Heritage Slam Dunkers:** (Back Row) Uncle Simeon Mansfield (Coach), **Eden Steele, Georgia Bailye, Jordy**

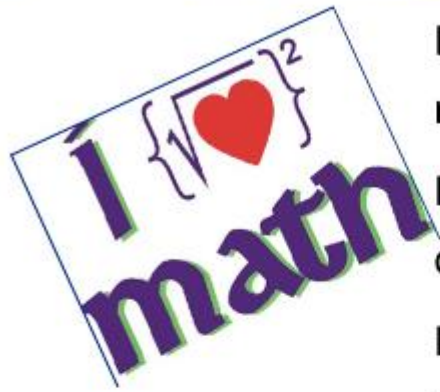

Mansfield (Front Row) **Elliott Wigzell, Joseph Nicholls, Nathaniel Hall and Ryan Dodson.**

Heritage Breakers:

Elodie Richards, Amber Dodson, Isaac Armonis, Josh Kempster, Jake Beard, and Sam King, coached by Uncle Rick King. With the new season underway, we welcome a new Heritage Team – **Heritage Bulls: Jasmine Clarke, Ethan Hall, Shem Hall, Ethan McGeorge, Jesse McGeorge, Jared Munaro, Nathan Nicholls and Ari Steele** are playing in the Under 14 competition which is quite a challenge, considering most of them are around 10 years old! The Heritage Slam Dunkers started off the same way and they just won the Grand Final, so keep at it!
